Re:	Team Formation and Grading Policies

The purpose of this memo is to inform East Sandringham Junior Football Club (ESJFC) members regarding the club's Team Formation and Grading Policies.

The U11 teams for the 2021 season were formed in accordance with the ESJFC Team Formation and Grading Policies. The ESJFC applied this approach under the umbrella of the SMJFL (South Metro Junior Football League) grading guidelines and with the SMJFL's support for the ESJFC's strategy.

The ESJFC, in conjunction with the SMJFL, has a duty of care to all children at the club and as such the ESJFC gives all children the best opportunity to develop their football abilities and skills in accordance with their individual strengths in an inclusive environment.

The ESJFC recognises the 2021 season is an unusual year given the 18 month gap from football due to COVID. As such, the club has attempted to ensure all nuances have been considered as part of the team formation process to ensure the children experience as much enjoyment from an appropriately competitive football environment.
